Comedy Night for Nicaragua

Join us!

Join us for this wonderful event to benefit **The Yahoskas** in San Marcos, Nicaragua.

Who are The Yahoskas?

The Yahoskas is a residence program where, in addition to receiving a home, care and food, these 25 girls, ages ranging from 5 to 15, attend public school and participate in cultural activities such as folkloric and modern dancing. They also learn sewing, computer skills and participate in a soccer league. Many of these girls were at risk of falling into prostitution. The Yahoskas is part of the Association Los Quinchos, a program for former glue-sniffing street children. The Association Los Quinchos is supported by Pro-Nica, an NGO based in St. Petersburg, FL, which is in turn supported by the Quakers. For more info: www.pronica.org
